

It is the policy of the Chairman and Governors of NST to take all measures which are reasonably practical to:-

- a) Secure the health, safety and welfare of all employees whilst at work
- b) Ensure the health and safety of all children whilst in its care
- c) Ensure the health and safety of visitors, contractors and other people who may be affected by the Trust's activities

The Chairman and Governors will provide the necessary resources and seek the co-operation of all employees for the purpose of implementing the Health and Safety at Work Act 1974 and all other relevant health and safety legislation.

Where appropriate contractors and other people involved in NST activities will be required to comply with this policy.

The Chairman and Governors undertake to ensure so far as is reasonably practicable:-

- a) The provision and maintenance of safe plant, safe systems of work, safe working environment and a safe place of work
- b) The safe use, handling, storage and transport of articles and substances
- c) The provision of health and safety training for all employees in relation to their jobs
- d) The definition of responsibilities of all levels of management and staff in relation to health and safety at work
- e) The promotion of employee involvement in health and safety at work
- f) The provision of necessary information on health and safety for all employees
- g) The identification of hazards and the notification of such hazards to the persons
Who may be at risk?
- h) The reporting, recording and investigation of accidents and dangerous occurrences
- i) The monitoring of health and safety performance
- j) The compliance with all relevant Health & Safety legislation.
- k) The review and amendment of this Health & Safety Policy as and when necessary to maintain its accuracy and effectiveness.
