

NORTH LIVERPOOL ACADEMY

ADMISSIONS POLICY 2018

1. INFORMATION ABOUT THE ACADEMY

THE NORTH LIVERPOOL ACADEMY (Mixed) ADMISSIONS POLICY 2018
Heyworth Street, Liverpool, L5 0SQ Tel: 260 4044
Email : admin@northliverpoolacademy.co.uk

Principal: Mr M Westerdale

Admission Number - 270 Pupils

The admission number in higher year groups are as follows:-

Year 11- 270 students, Year 10 - 270 students, Year 9 - 270 students, Year 8 - 270 students.

2. PROCESS OF APPLICATION

Applications for places at the North Liverpool Academy (NLA) will be made on the NLA application form. This form obtained can be obtained from:

- NLA
- Completed on line (application forms on school web site)
- From your primary school

The completed NLA form must be returned to NLA by 31st October 2017

You must also complete the Preference Form supplied by Liverpool Children and Young People's Services or your home local authority. If North Liverpool Academy is your 1st choice it must also be listed as your 1st choice on the preference form. The local authority preference form must be completed by 31st October 2017

NLA will consider all applications for places. Where fewer than 270 applications are received, NLA will offer places to all those who have applied.

3. PROCEDURES WHERE THE NLA IS OVERSUBSCRIBED.

Places will be allocated on the basis of fair banding in line with the Department for Education. All applicants naming NLA on their Preference Form must also complete the Academy's application form. All applicants will take a non-verbal reasoning assessment to be administered by the National Foundation for Educational Research.

The outcome of the test will be used to place applicants in the appropriate Band. It is very important that applicants take the assessment test. This is because applicants who do not sit the assessment test will be considered after applicants who sat the assessment test.

4. OTHER INFORMATION

Open Evening Wednesday 20th September 2017

Open Evening Thursday 12th October 2017

Assessment dates for admission to NLA in September 2018 are:

Thursday 9th November 4.15 p.m.

Saturday 11th November 9.30 a.m.

Thursday 7th December 4.15 p.m.

Saturday 9th December 9.30 a.m.

Saturday Assessment begins at 9.30 a.m. and students will need to be brought for 9.15 a.m. and picked up at 10.30 a.m.

Thursday Assessment begins at 4.15 p.m. and students will need to be brought for 4.00 p.m. and picked up at 5.15 p.m.

Children with an Education Health and Care Plan are admitted as a result of the academy being named in the Education Health and Care Plan and they are counted against the number of places available.

Each intake of NLA will be representative of the ability profile of the applicants on the basis of a fair banding process. To achieve this NLA will admit the required number from each of the five ability bands based on the following percentage guidelines:

Numbers in each band

Band 1 20% 54 pupils

Band 2 20% 54 pupils

Band 3 20% 54 pupils

Band 4 20% 54 pupils

Band 5 20% 54 pupils

Total 270 pupils

The percentage shown represents the percentage of applicants that will be allocated to each band and the percentage of places that will be allocated in each band. Within each band places will be allocated in the following order:

- 1) (i) Children in public care 'Looked After Children'
- (ii) Children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).
- 2) Children with exceptional Medical or Social Need
- 3) Students whose brothers or sisters attend NLA in September 2018
- 4) Children of staff in either or both of the following circumstances :

- (i) Where the member of staff has been employed at the school for two or more years at the time at which the application is made.
- (ii) Where a member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5) Students living closest to NLA. The distance will be measured by straight line distance between the child's permanent home address and the North Liverpool Academy using the local authority's computerised measuring system.

Applicants who do not sit the assessment tests will be considered after applicants who took the test. If places are available after all applicants who sat the assessment tests have been allocated places they will be offered in the following order:

- 1) Children in public care 'Looked After Children'
- 2) Children with exceptional Medical or Social Need
- 3) Children whose brothers or sisters attend NLA in September 2018
- 4) Children of staff working at the school
- 5) Children living closest to NLA. The distance will be measured by straight line distance between the child's permanent home address and the main entrance to the Academy in Heyworth Street using the local authority's computerised measuring system.

Definitions

Looked After Children in the care of the local authority and children who were previously looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

Children with exceptional Medical or Social Need means that the child's welfare would be best served if they attended the school. Parents would need to provide evidence in the form of a letter or report from a social worker or other professional in the area of children's welfare to support their case. They would have to establish that the school was the best / only school to service their child's needs.

Siblings : Brothers and sisters includes foster brothers or sisters, half brothers or sisters and step-brothers or sisters living at the same address and as a family unit.

Distance to NLA is measured by straight line distance from the child's permanent home address (including flats and apartments) to the main entrance to the school in Heyworth Street. Direct distance routine calculates the straight line distance between the child's permanent home address coordinates and the school address coordinates by using the mathematical routine Pythagoras Theorem based on the Local Land and Property Gazetteer (LLPG) data and national grid coordinates for the school and the permanent home address.

Allocating vacant places in bands

If there are places available in a band after all other applicants for the band have been admitted applicants will be admitted from the bands above and below. The first place will be allocated to a child from a higher band, the second from the lower band, the third

from the higher band, the fourth from the lower band and so on until the places have been filled. In Band 1 it will be the band below and in Band 5 it will be the higher band.

Applications after the closing date

The NLA preference form to be received by 31st October. Any preference forms received after this date but before the first round of assessment tests in November will be considered but only if there is a valid reason for the application being late e.g change of address, change in medical condition, exceptional social reasons.

The Local Authority Preference forms to be received via Liverpool Children and Young People's Services by 31st October any preference forms received after this date but before the second round of assessment tests takes place in December will be considered but only if there is a valid reason for the application being received late e.g. change of address; change in medical condition exceptional social reasons.

Late applications without a valid reason will only be considered if there is a vacancy. They may be requested to sit the assessment and be placed on the waiting list.

Operation of waiting lists

NLA will operate a waiting list. Where in any year the NLA receives more applications for places than there are places available, a waiting list will operate. This will be maintained by the NLA and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. This will involve the student taking the test in order to identify the correct band.

Students' positions on the waiting list will be determined in accordance with the over-subscription criteria set out above. Where places become vacant they will be allocated to students on the waiting list, in accordance with the over-subscription criteria if places become vacant in some bands and there is no student on the waiting list in that band, they will be filled by children falling into the next nearest bands higher and lower alternately in that order.

The waiting list will be maintained until 31 August 2019
