Sixth Form Option Blocks

Following a review of student applications, we have blocked subjects into the following option blocks for September 2018. These will be reviewed based on student numbers and may change.

Students will be required to choose 3 course choices from across option blocks A – D. Each course choice needs to be from a different option block. They can be all BTEC, all A Level or a combination.

Entry requirements for the courses offered are shown overleaf. We also require a positive attitude and excellent attendance record.

Some courses are shown as 2 – this means that they are the equivalent to 2 A Levels, and the same subject is studied in 2 option blocks along with 1 additional subject. Students can study these subjects as a single award (1 A Level equivalent) or double award (2 A Level equivalents).

All students will have a Citizenship session timetabled per week; this is compulsory. All students are also required to attend Enrichment.

Sixth form students follow a full timetable of 20 sessions per week and are expected to attend all timetabled sessions. Students are expected to be on site all day, between 8.30am and 3pm Monday to Thursday and 8.30am to 2.45pm on Fridays.
