

## The Library at North Liverpool Academy

Hello Year 7,

I am Mrs Williams, our school librarian, and I would like to welcome you to our *brand new* school library.

Our library is inclusive to *all students*.

You will be able to log into **Reading Cloud** - an exciting initiative where you can use the latest technology to renew your library books, reserve a new book, research your homework, create book reviews, write a blog or do a video review. You can chat to friends about what you have been reading, recommend new books, read about your favourite authors and much more.

We can help you improve your reading skills through one to one or small group intervention.
