9th October 2020

Dear Parent/Carer,

I am sorry to inform you that a student from Year 11 has tested positive for coronavirus. As a result we are having to close the Year 11 bubble for at least 14 days. We will contact you with a return date, when we have more information.

Your child will need to self-isolate. They are not required to get a test unless they are showing symptoms. We are sending a home learning pack which contains lots of work for the next two weeks, so that they do not fall behind.

If you require any further information, please email:
admin@northliverpoolacademy.co.uk
